Branding & Identity

**WAMI
STORE**

The logo for WAMI STORE features the brand name in a bold, black, sans-serif font. The letter 'A' in 'WAMI' and the letter 'O' in 'STORE' are stylized with colorful geometric shapes. The 'A' has a teal triangle at its top and a teal semi-circle at its base. The 'O' is filled with a pink semi-circle at the top and an orange semi-circle at the bottom. To the left of the text is a cluster of five small squares: two black, one teal, one pink, and one orange, arranged in a grid-like pattern.
